# Key Strategies 2021

## JJL's 3 areas of development

Continue to grow our departments and workforce

Develop existing and new legal services

Maximise innovation and technology to deliver an exceptional high service to clients

# JJL's Managing Director

## Andrew an inspiring entrepreneur

*Throughout my career and starting my own business the global pandemic has been by far the most challenging time. Even with the ever-changing Covid-19 laws, JJL kept open all their offices and everyone employed, as well as employed an additional 39 new staff.*

*Post-lockdown whereby business and work measures are heading back to normal the pandemic has been extremely positive for JJL.*

*Throughout the lockdown JJL's revenue has continued to increase, we have continually secured more relationships, and invested in areas such as; marketing and technology. The future for JJL is about taking new opportunities and development to continue in making great achievements.*

# Teams and Support

## Going the extra mile for our employees

As an active member of the Mindful Employee Plus service, it allows staff to speak to someone in confidence and continuous support. receive the help and assistance. Heads of departments work very closely to continue managing a healthy team, provide a safe environment and continuous support.

*Working at JJJ has been very rewarding as I have managed to work myself up to a Legal Director. I am at the forefront of each departments vision and always looking to grow the team, customer base and revenue. Looking for new opportunities is one of our key areas for growth and from this we believe in succeeding at a rapid pace.*

**Sarah Shotton - Legal Director**
